

Important Information Regarding:

TAP Air Portugal Strikes

Issued: 9th June 2011

Applies to all Cover-More products

The following advice relates to policies issued on or before the 8th June 2011.

This advice is in regards to possible strike action by TAP Air Portugal between the 18th of June and the 29th of July.

TAP Air Portugal has released a statement on the website as follows:

“In view of strike action announced for **18, 19, 20, 25 and 26 June and 1, 8, 15, 22 and 29 July** by the cabin crew union, TAP would like to appeal to the common sense of its crew in order to avoid disruption to the Company’s operations on the above-mentioned dates.

The Company is making every effort to minimise the impact of these strikes and will be informing those customers who have flights booked for these dates just how they will be affected.”

ADDITIONAL ACCOMMODATION AND TRANSPORT EXPENSES

FOR POLICY HOLDERS THAT HAVE ALREADY COMMENCED THEIR JOURNEY

There is provision under the Additional Expenses section of the policy to cover reasonable Additional hotel accommodation and transport expenses incurred on your journey if your flight has been delayed or cancelled due to strike action.

The policy defines Additional as meaning:

“the cost of the accommodation or transport You actually use less the cost of the accommodation or transport You expected to use had the journey proceeded as planned”.

Please note that it is an EU regulation that airlines provide accommodation and meals for any passengers delayed due to strike action, as well as any necessary transfers and two telephone calls.

Prior to claiming on your policy, we will require written confirmation from the airline confirming the compensation paid by them. You must take all reasonable steps to minimise your claim and keep itemised receipts for additional accommodation and transport expenses incurred. We will also require confirmation from the transport provider confirming which of your travel arrangements have been affected.

AMENDMENT OR CANCELLATION COSTS

FOR POLICY HOLDERS THAT HAVE NOT YET COMMENCED THEIR JOURNEY

If prior to you leaving your home to begin your journey your outbound flight has been cancelled, there is provision to claim for Amendment or Cancellation costs for the non-refundable unused portion of the journey which has been affected.

We will require written confirmation from TAP Air Portugal that your flight has been cancelled and confirmation of the refund that has been paid by them.

You must take all reasonable steps to minimise your claim and keep documentation showing what your original planned pre-paid arrangements were, along with receipts and documentation showing what your new arrangements are. The policy provides cover for amendment or cancellation (whichever is less).

No cover will be provided for the utilised portion of prepaid travel arrangements. If you are claiming additional accommodation or transport expenses there is no provision to also claim for the cancellation cost of pre-paid travel arrangements for the same period. The policy also excludes cover for loss of enjoyment.

We will not pay more for re-arranging your journey than the cancellation costs that would have been incurred had the journey been cancelled.

There is no provision to cover any Amendment cost that may be incurred to purchase another ticket unless it can be shown that by doing so the customer is minimising their claim.

For example if the cost of an alternative airline ticket to travel is \$200 more than the original ticket and by purchasing such a ticket, the customer will not incur a cancellation fee on missed accommodation of \$250, then we would pay the extra cost as the customer has minimised their claim under the policy.

Corporate and Annual Multi-Trip Policies

The above advice also applies to Corporate and Annual Multi-Trip policies, however please note there is an additional requirement that your original travel arrangements must have been booked prior to the 6th June 2011.

Customers stuck overseas who cannot return home

For customers who hold a Cover-More policy issued prior to the 6th June 2011 and cannot return home on their original return date due to the the TAP Air Portugal Strike, their policy will automatically extend free of charge to allow them to return by the quickest and most direct route.

As this extension is automatic, customers and agents do not need to do anything.
