Welcome

As your organisation expands, so may your requirements for keeping employees on the move.

Medical emergencies and incidents are generally unexpected and can result in repercussions on not only your organisation's productivity, but also its financial status.

What is Corporate Travel Insurance?

The Cover-More Corporate Travel Insurance policy is designed to protect organisations of all sizes, with multiple employees on the move throughout the world, for multiple trips throughout the year.

This is an important document

Please read it carefully before making a decision to purchase any of the travel insurance plans explained in it.

It will help you decide whether the insurance meets the needs of **The Company** and its **insured persons**. You can even use it to compare with other options you may be considering.

Any recommendation or opinion in this document is of a general nature only. It does not take into account your or The Company's objectives, financial situation or needs. You need to decide if the insurance is right for **The Company** and its **insured persons**.

This booklet contains important information about the insurer, Zurich Australian Insurance Limited (ZAIL), ABN 13 000 296 640, AFS Licence Number 232507 (referred to as "**we**", "**our**" and "**us**" in relation to the insurance) and its agent Cover-More Insurance Services Pty Ltd ABN 95 003 114 145, AFSL 241713 (Cover-More) as well as other relevant persons.

The Company is not the insurer of the insurance referred to in this booklet. It and any of its related corporations do not guarantee, and are not liable to pay, any of the benefits under these covers.

When you purchase a policy, keep a copy of this PDS and the Certificate of Insurance we'll give you in a safe place for future reference.

Things The Company and the insured person need to understand

- Terms, conditions, limits and sub-limits apply – that is why it is important you read this booklet carefully.
- Exclusions apply to restrict, limit and/or exclude cover. Read the General exclusions on pages 36-37 and the exclusions under each benefit carefully to see what **we** don't cover.
- Check out the Travel and health part of this booklet as a traveller's health is important (pages 9-12)
- Certain words have special meanings and are shown in bold. See Words with special meaning, pages 14-17. For example **relevant time** means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.
- All **insured persons** are residents of **Australia** and will be returning to their **home** at the completion of each **journey** and within six months of the commencement of each **journey**.

Four levels of corporate cover to choose from

(e.g. either side of the business trip). Also, in the case of these particular insured persons only, up to six weeks of leisure/holiday travel independent of a business trip.
- The **insured person's journey** will include international travel, interstate travel or intrastate travel, more than 100 kilometres from **home** or the **insured person's** business.

Helpful tips

Safety of your belongings

- Don't check in your **valuables** – keep them with you as they're not covered by **us** when checked-in with the **transport provider** (unless security regulations meant you were forced to check them in).
- Don't leave **valuables** in a motor vehicle at any time as they're not covered.
- A maximum limit of \$2,000 applies to all other items (i.e. not **valuables**) left, during daylight hours, in a locked motor vehicle as long as they are in a **concealed storage compartment**. Also, don't leave items in a motor vehicle overnight, as they're not covered.
- Don't walk away from or leave your belongings unattended in a **public place**. They're not covered by **us**.
- Remember to check for your items when checking out of any accommodation or leaving an aircraft, ship, train, tram, taxi or bus.

Reciprocal Healthcare Agreement

The Australian Government and the governments of certain countries have an agreement where Australian residents are provided with subsidised essential medical treatment (which, in turn, minimises your claim with **us**). The agreement is known as a Reciprocal Healthcare Agreement (RHA). Please visit humanservices.gov.au/medicare or dfat.gov.au for details of RHAs with Australia.

Medical and hospital cover in Australia

We will not pay any benefit or provide cover if the provision of a payment, benefit or cover would result in **us** contravening the *Health Insurance Act 1973* (Cth), the *Private Health Insurance Act 2007* (Cth) or the *National Health Act 1953* (Cth) or any applicable legislation (whether in **Australia** or not).

24 hour emergency assistance

The **Company** or the **insured person** can contact our emergency assistance team 24 hours a day, 365 days a year when travelling overseas.

The team of doctors, nurses, case managers and travel agents will help by:

- **Help to find a medical facility and monitor the insured person's medical care**
- **Paying bills**
Becoming ill overseas can be very expensive. Significant medical expenses can be paid by **us** directly to the hospital if **the insured person's** claim is approved.
- **Keeping an insured person travelling or getting them home**
Our team can decide if and when it is appropriate to bring an **insured person home** and will coordinate the entire exercise.
- **Help if passports, travel documents or credit cards are lost**
If **The Company** or an **insured person** need assistance in contacting the issuer of the document, our emergency assistance team can help.
- **Help to change travel plans**
If **The Company's** or the **insured person's** travel consultant is not available to assist with rescheduling in an emergency, our team can help.

Certain services are subject to the claim being approved.

When and what number should you call?

The Company or **the insured person** must phone the emergency assistance team as soon as possible if an **insured person** is admitted to hospital or if either party thinks the medical or related expenses will exceed \$500.

When you call please have the following information:

- The corporate policy number

Relevant time means the first time at which any part of the relevant trip is paid for, or the time at which the policy is issued, whichever occurs last.

This means that **The Company** and/or the **insured person** will have to pay for any overseas medical emergency and any associated costs, which can be prohibitive in some countries.

Insured persons unsure whether or not they have an **existing medical condition** can call Cover-More on 1300 72 88 22 for help.

If the insured person's existing medical condition is not automatically accepted

If the **insured person** doesn't, he/she will not be covered for claims directly or indirectly arising from, or exacerbated by:

- that condition
- a respiratory infection e.g. Influenza, or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if the **insured person** has COPD and is diagnosed with a respiratory infection, his/her claim will not be covered because **we** consider the respiratory infection to complicate, and be a complication of, the underlying existing medical condition, COPD.

Cardiovascular Disease

If the **insured person** has a condition involving their heart and blood vessels, collectively known as Cardiovascular Disease*, he/she must complete a health assessment for that condition at the **relevant time** or, at the latest, before departing on their **journey**, have it approved by **us** and pay the extra premium to be covered. If the **insured person** doesn't, he/she will not be covered for claims directly or indirectly arising from, or exacerbated by:

- that condition, or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if the **insured person** has ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is a life-long condition. The risk of disease is elevated whether or not he/she had been treated with bypass surgery or coronary artery stent insertion.

If the **insured person** has not told us about their condition, **we** have not approved it and he/she has not paid the additional premium, **we** will not be able to consider your claim if something goes wrong before or during the **journey** with respect to these conditions.

Reduced immunity

If the **insured person** reduced immunity at the **relevant time** (e.g. as the result of a medical condition or medical treatment), he/she must complete a health assessment at the **relevant time** or, at the latest, before departing on their **journey**, have it approved by **us** and pay the extra premium to be covered. If the **insured person** doesn't, he/she will not be covered for claims directly or indirectly arising from, or exacerbated by, the underlying medical condition or a new infection.

What does this mean?

For example, if the **insured person** currently suffers from a condition that is associated with significant immunosuppression or he/she requires medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), the **insured person** should tell **us** about their condition. Otherwise **we** won't be able to cover a claim if the **insured person** develops an opportunistic infection with respect to these conditions.

Existing medical conditions that cannot be covered

This policy does not provide cover for claims directly or indirectly arising from, or exacerbated by:

- the **insured person's terminal illness**
- conditions involving drug or alcohol dependency
- travel booked or undertaken against the advice of any **medical practitioner**

- routine or cosmetic medical or dental treatment during the **journey**, even if the **insured person's existing medical condition** has been approved, or
- conditions for which the **insured person** is travelling to seek advice, treatment or review or to participate in a clinical trial.

Medical conditions that are undiagnosed or awaiting specialist opinion

We are unable to offer cover for any medical conditions that the **insured person** was aware of, or a reasonable person in their circumstances should have been aware of, or arising from signs or symptoms that the **insured person** was aware of, or a reasonable person in their circumstances should have been aware of, before commencing any cover described in this booklet, and for which at that time:

- the **insured person** had not yet sought a medical opinion regarding the cause
- the **insured person** was under investigation to define a diagnosis, or
- the **insured person** was awaiting specialist opinion.

The **insured person** will still be eligible for the other benefits provided by the policy and he/she may apply for cover for other **existing medical conditions**. However, there will be no cover for claims directly or indirectly arising from, or exacerbated by, any of the above.

If the **insured person** receives a diagnosis before they depart on their **journey**, they may be able to complete a health assessment and, if approved, add **existing medical condition** cover to **The Company's** policy by paying **us** the required premium.

How to complete a health assessment

The **insured person** can complete a health assessment over the phone by calling Cover-More on 1300 72 88 22.

- The **insured person** needs sufficient knowledge about each **existing medical condition** to be able to complete a full declaration so **we** can assess the risk.
For example, **we** need to know the name of the medical condition you take medication for, rather than the name of the medication. Check with your doctor first if unsure.
- Check all **existing medical conditions** have been disclosed to **us** at the **relevant time** or, at the latest, before departing on the **journey**.
- **We** will provide the **insured person** with their assessment outcome and number.
- If **we** can approve The **insured person's** health assessment, they or **The Company** must pay **us** an extra premium to add cover for **his/her existing medical conditions** to the policy for a variation of cover.

Special conditions, limits and excesses may apply depending on the **insured person's existing medical condition**, age, trip destination and duration. This will be stated on the Certificate of Insurance, or separately advised to the **insured person** in writing.

What happens if I have an existing medical condition but do not take steps to cover it under this travel insurance policy?

We will not pay any claims directly or indirectly arising from, or exacerbated by, the **insured person's existing medical condition** if:

- he/she does not apply for this cover for that **existing medical condition** at the **relevant time** or, at the latest, before departing on the **journey**
- he/she applies for this cover for that **existing medical condition** and **we** do not agree to provide cover, or
- **we** agree to provide cover for that **existing medical condition** and the **insured person** does not pay the required extra premium.

This means, for example, that **The Company** or the **insured person** will have to pay for an overseas medical emergency which can be very expensive in some countries.

If you have any questions about **existing medical conditions**, please call Cover-More on 1300 72 88 22.

Health of other people impacting your travel (non-traveller)

When **The Company** or the **insured person** books a trip please carefully consider the health of loved ones not travelling with the **insured person**. Where applicable, the **insured person should** let **The Company** know of any impediments to business related travel.

We can only consider claims under this policy arising from the health or death of a **relative** or **an insured person's** business partner who live in **Australia** and are not travelling with the **insured person** if at the **relevant time** that person:

- in the last two years, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was directly or indirectly caused by, arising from, or exacerbated by, the condition that gave rise to the claim
- was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility as defined under the *Aged Care Act 1997* (Cth) (or any subsequent amendment, or amendment legislation, to it.)
- resides independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services as defined under the *Aged Care Act 1997* (Cth) (or any subsequent amendment, or amendment legislation, to it.)
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic
- did not have a drug or alcohol addiction, and
- did not have a **terminal illness**.

A claim caused by the health of someone who is not a **relative** or an **insured person's** business partner, is not covered by the policy.

Pregnancy

If the **insured person** knows they are pregnant at the **relevant time**, they will need complete a health assessment and apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy
- it is a multiple pregnancy e.g. twins or triplets, or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

Relevant time means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

The **insured person** can complete a health assessment to apply for cover by calling Cover-More on 1300 72 88 22.

Pregnancy restrictions

Whether or not the **insured person** has to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person:

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, six days. Gestational age is measured in weeks and days and is calculated from the last known date of the menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

WHAT DOES THIS MEAN?

The Company and the insured person should consider if our products are right for them if the insured person is travelling after 20 weeks as costs for childbirth and neonatal care overseas can be expensive.

Duty of disclosure

Before **The Company** enters into a policy with **us**, **The Company** has a legal duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

Before the **insured person** enters into an application for a variation of cover (i.e. **existing medical condition** cover) with **us**, the **insured person** has a legal duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

The duty applies until (as applicable) **we** first enter into the policy with **The Company**, or **we** agree to a variation, extension or reinstatement with **The Company** and or the **insured person**.

Answering our questions

In all cases, **we** ask questions that are relevant to **our** decision to insure **The Company**, the **insured person** and anyone else **The Company** wants covered by the contract, and on what terms. So, please tell **us** anything **The Company** or the **insured person** knows and that a reasonable person in the circumstances would include in their answer.

It is important to understand **The Company** is answering **our** questions in this way for **The Company** and anyone else **The Company** wants covered by the contract.

It is important to understand the **insured person** (applying for a variation of cover) is answering **our** questions in this way for the **insured person**.

Variations, extensions, reinstatements and an existing medical condition variation of cover

For variations, extensions and reinstatements **The Company** must tell **us** anything that **The Company** knows, or could

reasonably be expected to know, which may affect **our** decision to insure **The Company** and anyone else **The Company** wants covered by the contract and on what terms.

The same applies for an **insured person** applying for an **existing medical condition** variation of cover with **us**.

What happens if The Company or the insured person does not tell us something?

If **The Company** does not tell **us** anything **The Company** is required to, **we** may cancel **The Company's** contract or reduce the amount **we** will pay **The Company** if **The Company** or the **insured person** makes a claim, or both.

If the **insured person** does not tell **us** anything they are required to, **we** may cancel the insured person's variation or reduce the amount **we** will pay if the **insured person** makes a claim, or both.

If **The Company's** or the **insured person's** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

When and how benefits are provided

The benefits for which **The Company** and the **insured person** are insured under this policy issued to **The Company** are payable:

- when an insured event occurs during the **period of insurance** causing **The Company** or the **insured person** to suffer loss or damage or incur legal liability, and the claim is accepted by **us**.

After calculating the amount payable **we** will either:

- pay for specified **additional** expenses
- pay the person to whom **The Company** or the **insured person** is legally liable
- pay the cash value, repair cost or arrange replacement of the **insured person's** personal items (after deducting reasonable depreciation where applicable), or
- pay **The Company** or the **insured person**.

The amount payable for this insurance

The amount **we** charge **The Company** for this insurance policy and an **insured person** for a variation of cover is the total amount of the premium that **we** calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty).

Some factors that **we** take into consideration when calculating **The Company's** premium include:

- the estimated number of **journeys** per annum to both overseas and domestic locations, and
- the average duration per trip (total travel days).

The premium will be detailed on the Certificate of Insurance.

At the end of each annual renewal period, premiums may be adjusted depending on the actual travel undertaken, claims history and currency fluctuations.

The amount The Company or the insured person pay towards a claim

The excess is the first amount of a claim that **we** will not pay for. It is **The Company's** or the **insured person's** contribution to a claim made under this policy if it is approved by **us**.

The excess applies per event i.e. if the **insured person** falls over and needs medical treatment, and smashed their smart phone in the fall, the excess will be deducted once.

Unless specified otherwise (for example in writing in this PDS or on the Certificate of Insurance **we** give to **The Company**) the claimant is required to pay the first \$60 arising from any one event on each **journey** in respect of Sections 1, 4, 6, 7, 8, 9 and 10 of the policy. For each separate claimable event, a separate excess will be applied.

How various factors affect the amount payable

We consider a number of factors in calculating the **amount payable**. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and, therefore, **The Company's** and/or **the insured person's** premium.

- **Area** – higher risk areas cost more.
- **Trip duration** – the longer the trip duration, the higher the cost may be.
- **Variation of cover for existing medical conditions and pregnancy** (where available) – an additional premium may apply if a health assessment is completed and cover is offered by us.
- **Extra cover options** (where available) – an additional premium may apply.

How a claim settlement is calculated

When **we** pay a claim **we** consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability
- the excess
- the maximum benefit limits and sub-limits
- reasonable depreciation, and
- the terms and conditions of the policy.

The following example illustrates how **we** will calculate claim settlement.

- The **insured person's** new video camera with an original purchase price of \$4,500 is stolen from a hotel room
- The **insured person** had not paid an additional amount to **us** to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – \$4,500 (no depreciation applies because the video camera was new).
- Consider the maximum item limit payable for cameras and video equipment – \$4,000. This item limit applies in this case.
- Consider the excess. As there is an excess of \$60, this excess is deducted. This results in a claim settlement of \$3,940 or **we** may choose to replace the item through a supplier of **our** choice.

Policy wording

The benefits described in this policy wording should be read in conjunction with Age limits and associated cover restrictions (page 8), Policy inclusions and choices (pages 8-9), Travel and health (pages 9-12), Duty of disclosure (page 13), Words with special meaning (pages 14-17), Policy conditions (pages 17-20) and General exclusions (pages 36-37).

THE POLICY IS NOT VALID UNLESS THE CERTIFICATE OF INSURANCE IS ISSUED TO THE COMPANY.

Subject to the payment of the premium (**amount payable**) which includes stamp duty and fees payable to the agent, **we** will provide the protection detailed in the Benefits tables (pages 5-7) for the relevant plan purchased by **The Company** subject to the terms and conditions of this policy. The Plan type purchased will be shown on the Certificate of Insurance.

The excess applies per event i.e. if you fall over and need medical treatment, and smashed your smart phone in the fall, the excess will be deducted once.

- b. In respect of Section 4, 5, 6, 7, 8, 9 and 10 of the policy **we** will not pay the first \$60 arising from any one event on each **journey**.

An additional excess may apply in certain circumstances, such as cover for **existing medical conditions** where the **insured person** does not meet the provisions under "Existing medical conditions we automatically include" on page 10. If an additional excess applies **we** will notify **The Company** and/or the **insured person** in writing.

SECTION 8: Luggage and travel documents

1. Loss, theft or damage

If, during the **period of insurance**, the **insured person's baggage** or personal effects are lost, stolen or accidentally damaged, after deducting reasonable depreciation (where applicable and as determined by **us**) **we** will replace, provide a replacement voucher, repair or pay the **insured person** the monetary value of the **baggage** or personal effects. It is **our** choice which of these **we** do.

The same applies to **business property**. This policy is an indemnity policy. This means **we** settle an approved claim based on the value of an item at the time of the loss and not on a 'new for old' or replacement cost basis.

Reasonable depreciation takes into account the amount paid originally for the item, its age, wear and tear, and advances in technology.

Items	Deduction for each month of age of the item at the time of loss	Maximum deduction
All other items (not including jewellery)	1.5%	60%
Phones, electrical devices, communication devices, all computers, photographic equipment, tablets, electronics equipment	2.5%	60%

For example: If your stolen jacket has been owned for one year and **we** can replace them for \$150, **we** pay you (or replace, or provide you with a voucher or gift card for the amount of) \$118.50, as **we** will deduct \$31.50 ($\$150 \times 21\%$ {i.e. 12 months x 1.75%/month}) from **our** replacement cost. This assumes that the stolen jeans cost you at least \$118.50.

Our payment will not exceed the original purchase price of an item with a limit for any one item, set or pair of items including attached and unattached accessories of \$1,000 or \$4,000 for a laptop or tablet computer, camera and video camera equipment.

The following are examples of items considered as one item for the purpose of this insurance (an item limit will apply):

- Camera, lenses, tripods and camera accessories (attached or not)
- Phone and cover/case
- Matched or unmatched set of golf clubs, golf bag and buggy
- Necklace and pendant
- Charm bracelet and charms.

Optional cover

The limit can be increased by up to \$10,000 per single item if the item is separately specified and the appropriate additional amount paid. Where an additional premium has been paid to increase the **baggage** item limit for a single item, the claim will be assessed based on the item and item limit specified on the Certificate of Insurance. Reasonable depreciation applies.

2. Travel document replacement

We will pay the **insured person** for the cost of replacing **travel documents** and credit cards lost or stolen on the **journey**.

We will also pay up to \$3,000 for the **The Company's** or the **insured person's** legal liability arising from their illegal use. **The Company** and/or the **insured person** must, however, comply with all the conditions of the issue of the document prior to, and after, the loss or theft.

Cancelling The Company's policy

If **The Company** cancels its policy within a cooling-off period of 15 working days (excluding public holidays) after **The Company** is issued their Certificate of Insurance, **The Company** will be given a full refund of the premium they paid, provided any **insured person** has not started a **journey** or **The Company** and/or any **insured person** does not want to make a claim or exercise any other right under this cover.

The Company may still cancel their policy after this period by giving **us** written notice. If **The Company** cancels their policy within 180 days of the inception of cover under this policy, **we** will charge **The Company** an amount based on **The Company's** Actual Travel Days undertaken by **insured persons** while the policy was active. This refund will not exceed 50% of the total proposed premium. Any refund which brings the policy value below **our** minimum policy value will be forfeited. If the policy is cancelled after 180 days of inception **we** will not refund any premium. **We** will not refund any premium if **we** have paid a benefit under **The Company's** policy.

We may cancel the policy at any time in accordance with any applicable law and the premium paid shall be adjusted on the basis of **us** retaining an amount based **The Company's** Actual Travel Days undertaken by **insured persons** while the policy was active.

To cancel **The Company's** cover please contact Cover-More by calling 1300 72 88 22, or email corporate@covermore.com.au.

Change of terms and conditions

From time to time, and where permitted by law, **we** may change parts of the Combined PDS/FSG. **We** will issue **The Company** with a new Combined PDS/FSG, a Supplementary PDS or FSG or other compliant document to update the relevant details except in limited cases. Any updates, which are not materially adverse to **The Company** from the view of a reasonable person deciding whether to buy this insurance, may be found on www.covermore.com.au. **The Company** can obtain a paper copy of any updated information, without charge, by calling Cover-More on 1300 72 88 22.

Financial Services Guide

This FSG is an important document designed to help you decide whether to use the financial services offered.

It contains information about how Cover-More administers and arranges the policy directly or through its authorised representative (Agent).

What financial services are provided?

Cover-More holds an Australian Financial Services Licence. It allows Cover-More and the Agent to provide **The Company** and/or any **insured person** with general financial product advice about this travel insurance product and to arrange this product for **The Company**. Cover-More is responsible for the provision of these services.

The Agent is an authorised representative of Cover-More. The Agent acts on behalf of Zurich Australian Insurance Limited (the insurer), the issuer of this product.

Cover-More acts under a binder authority from the insurer. This means that Cover-More (and the Agent acting on behalf of Cover-More), arranges this policy and Cover-More can handle or settle claims on behalf of the insurer. Cover-More and the Agent act for the insurer when providing these services. You can find full details of Cover-More and the insurer on page 13 of the PDS.

Cover-More is not authorised to give **The Company** and/or any **insured person** personal advice in relation to travel insurance. The Agent is not authorised to give **The Company** and/or any **insured person** personal advice in relation to travel insurance. Any advice given to **The Company** and/or any **insured person** about travel insurance will be of a general nature only and will not take into account **The Company's** and/or any **insured person's** personal objectives, financial situation or needs. **The Company** needs to determine whether this product meets the travel needs of **The Company** and its **insured persons**.

How are we paid?

Cover-More

Cover-More is paid a commission by the insurer when **The Company** buys this travel insurance policy. This commission is included in the premium that **The Company** pays and is received after **The Company** pays the premium. The commission is a percentage of the premium.

Cover-More may also receive a share of the profit earned by the insurer if the insurer makes an underwriting profit in accordance with the underwriting targets it has set. This amount is calculated and paid retrospectively only when the insurer exceeds its underwriting targets in a given year.

Cover-More employees are paid an annual salary and may be paid a bonus based on business performance.

The Agent, and/or its associates

The Agent and/or its associates are paid a fee and/or commission by Cover-More for arranging this travel insurance policy for **The Company** and its **insured persons**. This amount is paid out of the commission that Cover-More receives from the insurer.

The Agent's employees may receive salaries, bonuses and/or company dividends in their own business depending on the nature of their employment. Bonuses may be linked to general

overall performance, including sales performance and may include all or part of the commission received by the Agent.

The Agent, and/or its associates, may also receive other financial and non-financial incentives from Cover-More for arranging this travel insurance policy for **The Company** and its **insured persons**. Such incentives may depend on a number of performance related or other factors and may include, for example, a share of Cover-More's profit, bonus payments, prize pools, sponsorship of training events and conferences, marketing promotions and competitions.

Referrers

Referrers are paid a fee and/or commission by Cover-More. This amount is paid out of the commission that Cover-More receives from the insurer.

Further information

For more information about remuneration or other benefits received for the financial services provided, please ask the Agent within a reasonable time of receiving this FSG and before you choose to buy this product.

Complaints

If **The Company** has a complaint about the financial services provided by Cover-More please refer to the PDS for details of the complaint resolution process.

What professional indemnity insurance arrangements do we have in place?

Who is responsible for this document?
